Recreation

Recreational opportunities for every season abound in Aberdeen! Walk, bike, or jog down several newly-developed trails in and around the city. Roller blade and bike rentals are available. The Aberdeen Aquatics Center, Wylie Park, and Storybook Land are open in the summer months. Also available are many softball fields, soccer fields, tennis courts, sand volleyball courts, and three

manicured golf courses to enjoy. Indoor recreational activities are particularly popular in the fall and winter months. Basketball can be enjoyed at gymnasiums throughout the city.
